 Embassy of the Russian Federation

 Washington, D.C. 20007

Dear President Vladimir Putin:

We are writing to request that your government vote in favor of the referral of the North Korea regime to the International Criminal Court and that you not veto this action when it comes before the Security Council. In light of the findings by the United Nation's Commission of Inquiry regarding the DPRK's treatment of repatriated citizens and its gross violations of human rights and the very recent and credible reports emerging from North Korea that nine young people have been killed for seeking resettlement in South Korea, we urge you to support the COI's recommendations.

As you know, the commission concluded that North Korea has committed crimes against humanity "that does not have any parallel in the contemporary world."

We look forward to your response and request you consider this as a matter of urgency.

Sincerely,

Suzanne Scholte Sin U Nam Rabbi Abraham Cooper Pastor Heemoon Lee
